

## Our Vision

To provide every patient with high quality and value denture care in the same warm, honest and professional manner we would extend to members of our own family. By doing so, we aim for every individual that leaves our clinic to lead a comfortable, confident, happy and healthy life they can share with their loved ones.

## Our Values

- 🦷 Compassion + Care
- 🦷 Honesty
- 🦷 Respect
- 🦷 Accountability
- 🦷 Quality

## What makes us different?

*Hello, my name is Steven Anthony and I am your local Dental Prosthetist at Total Denture Care.*

With over 16 years of experience including the most up-to-date dental industry training, we genuinely care for the wellbeing of our patients and strive to offer them the best and most comfortable products and services on the market. All our products are made right here in WA in our own on-site laboratory with the highest quality materials from Australia and Europe.

We provide a mobile denture service as we believe all patients should have access to quality healthcare.

Being a family run business, we treat our patients with the upmost honesty and respect so that you can feel comfortable and safe knowing you are being looked after as part of the Total Denture Care family. Our strong values and ongoing commitment are important to us as we strive to make a difference to the lives of our patients, one smile at a time.

# Dentures we specialise in

At Total Denture Care, we understand how a natural looking and comfortable fitting denture can change your life.

As Perth's most trusted denture clinic, our patients will tell you that our denture products and services are of the highest quality in the industry. Let us take care of you and your loved one – it is what makes us smile too.

## Partial Dentures (Acrylic)

Partial dentures fill in the spaces left by lost or missing teeth. They can be used when one or more natural teeth remain. All our acrylic dentures (partials and full) are processed with the strongest acrylic on the market.

Prices starting from **\$540**

## Full Dentures (Acrylic)

Full dentures are used to replace either the complete upper or lower jaw. Multiple appointments are required to complete these types of dentures successfully.

**Standard Denture Prices starting from \$1,850** for a full top and lower

Custom dentures from \$3,500 for a full top and lower  
Premium dentures from \$4,500 for a full top and lower

## Chrome Partial Dentures

Chrome partial dentures fill in the spaces left by lost or missing teeth. They can be used when one or more natural teeth remain. Chrome partial dentures are strong and thin, making them very comfortable and long lasting. Due to their nature, they transfer hot and cold, making them feel more natural.

Prices starting from **\$1,560**

## Implant Dentures

Implant dentures are used to replace either the complete upper or lower jaw. Multiple appointments are required with our clinic and an oral surgeon who work together to ensure the denture is produced and fitted to the highest standard. **POA**

## Flexible Dentures (Valplast)

Flexible dentures fill in the spaces left by lost or missing teeth. They can be used when one or more natural teeth remain. Flexible dentures are made from a nylon material making them super flexible, virtually unbreakable and look very natural. Lifetime warranty.

Prices starting from **\$800**

## Denture Repairs
